

**Bev Facey High School
Art Department Course Outline
2008-2009**

**Art 20
Mr. A Milne**

Brief Description of the Course:

The emphasis in art is on DRAWING (the making of images), ENCOUNTERS (the appreciation of art), and COMPOSITIONS (learning how images are placed together) according to the provincial art curriculum guide. **One major focus in art 20 will be the use of non-traditional approaches to create compositions in both 2-D and 3-D.** These will be explored through projects, field trips, and theory.

Evaluation:	Course Weighting %
Projects (drawing, painting, sculpture, printmaking, and design)	64%
Sketchbooks (art homework which will be completed every third week)	16%
Final Project	20%
Total	100%

Student absences and Evaluation:

Students who are excusably absent when assignments are due or exams are administered, will not be penalized for their absence. Students who are truant during evaluation will make up lost marks on their own time (lunch study hall).
