

Dear Sponsor:

Bev Facey is proud to announce our 2008/2009 Fine Arts Season. This year we are producing several shows, musical concerts and art exhibits. Many of our shows take place in the Bev Facey Theatre however, this year, four of our larger productions will be held on the Telus Stage at Festival Place.

Bev Facey has the largest Fine Arts Program in the Elk Island School Division and we pride ourselves for our quality productions. In fact, we anticipate our Fine Arts' Season will reach over 15, 000 spectators this year!

Unfortunately, the cost of royalties, sets, costumes and rental space makes producing such a season a very costly endeavor. Last year, our final show alone cost us over \$40,000.00! In order to combat the rising costs in production, the Bev Facey Fine Arts' Team has put together a sponsorship program that will recognize those businesses and/or people who sponsor our productions.

Sponsorship is for the entire 2008/2009 season and will be highlighted in the following ways:

- You will receive recognition in each and everyone of our programs and on our web site.

What is the cost of sponsorship? Please take the time to consider becoming one of our white, blue or gold sponsors:

BLUE	GOLD	CORPORATE GOLD
(\$150.00 – \$249.00)	(\$249.00 - \$499.00)	(\$500.00 or more)

Blue- A quarter page ad in the program

Gold- A half page ad in the program

Corporate Gold – Full page ad in the program and logo on poster

This is an excellent opportunity for you to support Fine Arts' education and to receive incredible advertising at a fantastic rate! See you in the theatre!!

Break a leg!
